COMMUNICATION

Mail Stop Issue Fee Branch  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, Virginia 22313-1450

Sir:

This Communication is submitted for the purpose of correcting a USPTO data entry error prior to the final scanning, printing, and issuance of the above captioned patent application.

In applicant's Amendment mailed March 11, 2003 (copy enclosed), the Title of the invention was amended and the Amendment was subsequently entered by the Patent Office. Applicant became aware of the data entry error upon further review of the Title in the **Notice of Allowance** wherein the word "THIRD" was mis-spelled (or mis-entered) as "THIED". As this error in the Title is quite prominent and has an impact on possible database searches, Applicant requests correction prior to issue. The Issue Fee has been submitted.

As applicant properly spelled THIRD and the error is a result of USPTO input error, Applicant believes that no Petition or fee is required; however, in the event that the Patent Office believes that a Petition or fee is required, the Commissioner is hereby authorized to consider this a Petition and charge any additional fees which may be required by this Communication, or to credit any overpayment, to Deposit Account No. 50-2319 (No. A-66732-1/RMA(469304-21)).

RESPECTFULLY SUBMITTED,

DORSEY & WHITNEY LLP
